

WILLOW SPRINGS MOTORCYCLE CLUB 2008 Flag Rules and Procedures

Various colored flags are used at the start/finish line and at each corner during WSMC events to control race traffic, and to warn of dangers ahead of the race course.

GREEN Start of the race. Also indicates the end of a caution (YELLOW) section. 

YELLOW (stationary) Caution. The track is not blocked, but be alert. You MAY pass under a STATIONARY yellow flag. 

YELLOW (waving) Danger. Maintain racing line. You MAY NOT PASS under a WAVING yellow flag. Passing may occur only after reaching the next standing yellow or green flag station. 

WHITE with RED CROSS There is an emergency vehicle on or near the track. Proceed with caution. 

RED The race (or practice) has stopped. There is immediate danger on the racetrack. Signal by hand or foot and SLOW to a safe and controlled speed. Proceed at a greatly reduced speed to the Hot Pit. Watch for emergency vehicles on or near the track moving in either direction. Use proper signal at exit. 

CROSSED FLAGS (Courtesy) Crossed WHITE & BLACK flags at start/finish indicate the race is one-half over. 

WHITE (Courtesy) Courtesy. One more lap remains in the race. 

BLACK and WHITE CHECKERED The race (or practice) has ended. Proceed at less than racing speed around the track to the designated track exit. Use proper signal at exit. 

BLACK Something is wrong with your equipment. Proceed around the track off of the racing line to the hot pit lane and check with the starter. (Riders violating this directive are subject to disqualification from event). Use proper signal at exit. 

BLACK with ORANGE Dot Jumped start. If your number is displayed at Start/Finish, proceed around the track off of the racing line to the hot pit lane and check with the starter. (Riders violating this directive are subject to disqualification from event). Use proper signal at exit. 

I have read the flagging procedures of the WSMC and I understand them.
